

RN*ovator*KC

The Greater Kansas City AACN Chapter wants to give you seed money to help get your great idea implemented! If you ever had an idea that would help improve the quality of patient care but did not have the budget to pursue your idea, now is your chance.

Examples include: a comfort cart for palliative care patients' families, iPad for patient use, design cost for a unit brochure, certification seed money, reception for patients/families, books or study material, etc. Ideas are endless!

Who Wants FREE MONEY? The Greater Kansas City AACN Chapter supports the sharing and funding of innovative nursing ideas. This is an opportunity to share your idea that improves patient and nursing care, safety, and satisfaction. If selected, you will pitch your idea to a group of nursing peers for a chance to win seed money to pursue the project. The idea with the most votes receives FREE MONEY!

How RNovatorKC Works:

1. Submit an application for a micro-grant
2. Chapter selection committee chooses up to 3 applications for presentation at RNovator KC event
3. Prepare 15 minute pitch on idea for best use of micro-grant
4. Audience members vote on their favorite project idea
5. Presentation that gathers the most votes wins the grant
